Did You Know...?

JCC has discontinued their involvement with the sailing class this year. The Club is looking for ways to generate interest in the community. Last year we had a poor turnout. The class has been a source of education, acquainting the participants with the basics of sailing through classroom and a hands on approach. The program is in danger of being discontinued, at least for this year.

There was talk recently of forming a Safety Committee. This would help members be better prepared in case of an emergency. The Fire Dept. is more than willing to demonstrate the proper use of fire fighting equipment like fire extinguishers and dock hoses, we just need people who are interested.

Next Board Meeting
