News from the Editor

It's opening month! This is probably the month we do the most work at the club, and on our boats to get them ready for the season. I hope everyone has the opportunity to help the club and get some of their work hours in this month. Last year at this time we were not even sure we would be open. Hopefully we are getting closer to normal this season and can have more social events and meet many of the new members we have had join this past year. I hope to see you all soon!

From the Board

Based on present guidelines and recommendations from the CDC and other governmental agencies regarding the COVID pandemic, the DYC Board is continuing to advocate for health and safety during our activities at the Dunkirk Yacht Club. The Club would like to promote healthy behaviors that reduce the risk of spread and infection. All club members, guests, and transients should practice strict hand washing hygiene, social physical distancing as appropriate, and masks should be worn when inside the club house at all times. If you are feeling sick or under the weather, please refrain from using the Club until you are well. Pending further clarification and guidelines by the CDC, these recommendations may change in the near future.

Facilities

Don G has been a really big advocate for work parties, great job. Jim Christy and team has been successful with barge and pipe. Brett Christy and team removed and labeled the bubblers.

Recreation and Race

The board decided to lift the transit boat restrictions. Guests will have to use masks inside the club house and boats will be allowed.

For the Good of the Club

Special thanks to Jay Bishop for updating the data base for member information! Rosters should be ready with membership cards soon.

A pretty picture of springtime at the DYC.
