

DYC Nautical News

January 2019

 The Wingnut Weekly [published Monthly]

The meeting was called to order.

Secretary:

It has been established that the secretary can spell. There were not any October minutes.

Treasurer: Report was made and approved. Once again the need for receipts in order to get reimbursed was stressed. The assessment for this year's expenses was submitted, and the money coming in from dues and slip fees are real close to just covering these expenses.

The Commodore's Corner

The treasurer's report was not optimistic. The Club expenditures for the season are just covered by the payment of dues and slip fees. Our reserves are down to an alarming level. The Bubbler is not totally paid for and we need a new roof for the Club House. The roof was needed last year, but was put on hold due to the necessity of fixing the docks. After the payment of taxes, utilities, and insurance there will be very little leeway in case of an emergency. Also, this does not include any expenses for various activities we all enjoy throughout the season. (See Treasurers report for details) Therefore, the Board has appointed a three person committee to investigate what we need as a Club to survive the year and to point us in the right direction so that this scenario does not occur in the future.

This is not a situation that should be taken lightly. If you need more information, **come to a meeting.**

This years Commodore's Party has a tentative date set for July 20th

Facilities:

The scheule for pulling the bubbler out and storing were brought up, but nothing set in stone.

Special note: the combination on the lock for the gate in the off season has been changed. Board members will have the new combination. This is to insure that only authorized people have access to the expensive equipment that has been installed. If you need access contact the Board.

Membership:

There will be two opening for new members this year so far.

Race/Recreation:

There will be both races and recreation this year. A schedule will coming in the future.

The Grnd Prix of racing is coming back to Dunkirk this year.

House:

There is a cleaning schedule for the Clubhouse being worked on, and will be posted electronically for those who want to fulfil there work hours commitment in that respect.

Dock Master:

Nothing to report

What's Happening

We want to extend our condolences to the family of Frank Napierlski who died recently. Frank was a life time member.

Did You Know...?

No one remembers an increase in dues or slip fees in the last twenty years. Can you say the same for the cost of living?

Life time members do not pay dues.

There are currently 38 life time members

Next Board Meeting

Tuesday February 12, 7pm

@ the Knights of Columbus Dunkirk, NY
