Membership actions at the last Board of Directors meeting:

Greg Craft, Jim Heenan, Ralph Letersky, Mike Swensen and John Connelly were accepted as probationary members

Facilities:

The ice machine is operational due to the efforts of Ken Kuik and Dan Cassidy.

Currently, the pump out needs additional attention in order to be of use.

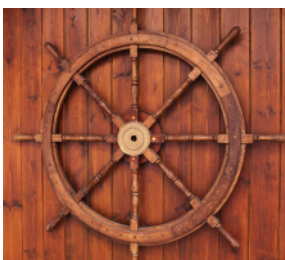

We will be getting estimates on the roof. This project needs to be done before Winter.

Materials for new water lines have been priced and need to be purchased. A crew for installation will be organized.

The Chair is looking for long term solutions to chronic problems that have been unaddressed for too long.

Social:

There are plans for a July 4th Party in the works. There will be music and more than likely, food. Stayed tuned for details, when the plans are finalized, we will be notified.

Race/Recreation: Report for June 11th, 2019
Sail boat Series Race Results and Updates:
Memorial Day Race scheduled for June 2nd
and June 9th were both postponed due to
shortage of the required number of boats. We
are looking good for June 16th for the race,
weather permitting.

Recreation Results and Updates:

On June 15th , Ullman Sails is providing a
Spinnaker Class at RCR Yachts under the
Skyway at 10AM, for those who might be
interested.

The raft up at Sunset Bay is still scheduled for
June 22nd, details to come.

The Commodore's Corner

Notice to all DYC members,

As all DYC members are aware, the Club has
been experiencing financial hardships the past
few years. In an attempt to remedy this
problem, the DYC Board members are
initiating a two step plan.

The membership dues and slip fees no longer
sustain the everyday operational expenses of
the club. Therefore, we will increase the dues
fee by \$50.00 per year for the next three
years. This increase will be implemented for
the 2020 season.

Beginning in 2020, there will be a "Club Use
Fee" of \$100.00 as allowed by the by-laws.

This fee pertains to ALL members. These
funds will be utilized for major repairs
expenses (roof, water lines, dock repair).

This will be a revolving fund and is not to
exceed a \$50,000 maximum balance.

We currently have \$38,000 in our bank
account. This season we will require between
\$15,000 - \$20,000 in order to replace the roof,
upgrade water lines and electric power to the
docks.

The Club Use Fee will be adjusted yearly
dependent upon the previous years expenses.

I hope all the members understand the
necessity for these changes.

House:

The cleaning schedule is filling in nicely. There are
still some weeks open.

Dock Master:

There is a problem with power cords in the water,
this is unacceptable. Violators will be notified and
the situation rectified. This is a safety issue.

Education:

The following is an updated outline of the 2019
Sailing Education program.

Dates: Orientation and collection of fees will thank
place on July 3rd at 2pm to 4pm at the yacht
club, at this time we will inform the student of the
requirement to participate in the
program, the fees, and the times of classes.

9 to 12 year old students classes will start on
Monday July 8th and run till Friday the 12th, the
times will be from 10am to 1pm

13 and older students classes will start on Monday
July 8th and run till Friday the 12th, the times
will be from 2pm to 6pm.

Instructors: I am happy to report that Hank
Danielson hand is improving, and he and Julie will
be

participating in this years program, Mike Swensen
will be leading the team along with Jim
Stenger and additional members from the Coast
Guard Auxiliary.

Expected Students: Due to our association with
the Sea Scouts, Boy Scouts, and Coast Guard
Auxiliary we expect a large portion of our students
to be members of these organization, we will
be using the Scouting Sailing Handbook, but all
students are welcome to join the classes. We
are adding a parent/child program, for parents who
want to learn sailing and boat safety with
their child.

At this time we are working on getting the word out
about this years program, we encourage any
member who knows of interested individuals, and
let them know. Cost for is \$200 per student, this
includes the handbook. Students are to supply
Coast Guard approved life vest, and show
complacency

in the water, they will get wet.

Next meeting Friday, June 14th at 1pm

Did You Know...?

That Club fees have not increased in almost twenty five years. While the cost of living has increased steadily. DYC is the most economical place on Lake Erie to have a boat. The time has come to insure that our infrastructure can with stand the test of time. We need to insure our children have the same opportunity to enjoy this Club the way we do. We had an increase in visitors last year from various clubs around the Lake. We have a reputation as a welcoming and friendly Club [who knew?]. It was a little embarrassing when they had some trouble finding water and power lines to fit their needs. I am proud of this Club and happy to be here. We owe it to our visitors and ourselves to make it the best we can.

What's Happening

Special thanks to Kathy Fox, John Geiben, Nancy Steffan, Andy Dailey, Lisa Briggs, Carole Reid, Ronnie Lafferty and Tom Lafferty for all their help with the Memorial Day Party. Kudos!

Thanks! Judy

We are happy to announce that Bob Price is recovering nicely.

We would like to extend our condolences to Jerry and Mitzie Bradigan. Mitzie recently experienced the loss of a close relative in the tragic Virginia shootings. Our hearts and prayers go out to friends and family

Jim Priest and his wife Mrs. Judy Thurber are proud to announce the graduation of Judy's grandson Mr. Evan Camp from the U.S. Naval Academy on Friday May 24th in Annapolis Maryland. Evan is proud to have been selected to attend SEAL team training in Coronado, California
