News from the Editor

I can't believe the boating season is already half over. I sure hope everyone is enjoying some time out on the water with family and friends in this abnormal and unique summer. Although things seem to be getting a little back to normal, we are all holding our breath on what is in store for us this fall. Make sure that you get some boating time in soon before it is too late, there is nothing better than watching a Lake Erie sunset while out on the water!

Message from the Commodore

Things have relaxed a little at the club. Feel free to use the kitchen responsibly and avoid having a large gathering. Enjoy!

Treasurer

Balance is looking good at this point. We are ahead of last year's balance. Two members are over 90 days past due on payment. Action was taken to remove from membership. Profit so far this year is up above last year's.

Race and Recreation

The DYC 2020 Coastal Sailboat Race – was held on Saturday, Aug 8th with 6 boats participating. It was an overall 6 mile race using US PHRF (handicap) ratings to make it more competitive. After PHRF adjustments, 1st place went to Bill McCausland single handling his Niagara 35 closely followed by Carl Bjurlin and team on their Jeanneau 37 in 2nd. Richard Wick (to be membership sponsored by Mark Stoddard and Tom Safford) came in 3rd on his Sabre 30, followed by Rich and Joanne Cowan on their Shark 24. 5th place went to Wayne Jones on his Newport 28, and the 6th boat, known only as the Pirate, did not finish. In unadjusted time, crossing the finish line was 1st Carl Bjurlin, 2nd Bill McCausland, 3rd Richard Wick, 4th Wayne Jones, and 5th Rich Cowan (by 4 seconds). Results will be posted on the R&R board. Everyone had a great time and stayed for hotdogs and salads and regaled in rousing stories of seafaring adventures!

Many thanks to John Ludwig, and Greg and Katlyn Craft for serving as the committee boats, and to Philip Leone and LaVonne Siembieda for cooking and serving our dinner, and for cleaning up afterwards.

Update:

The normal Sunday and Wednesday Sailboat races have been cancelled for the remainder of this season due to COVID. The Commodore's Race, Ladies Champaign Race and Sailing Class Race have also been cancelled due to COVID.

Moved the Cruise to "Barcelona" to Aug. 22nd – the BBQ place is temporarily closed so am still looking for a place to go (like Sunset), as well as a host to run this event.

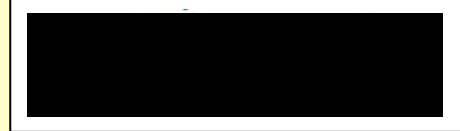

Race & Recreation Schedule:

* 2020 schedule may be adjusted as needed to comply with Corona Virus requirements/limitations

Aug 22nd – Power/Sail to "Placeholder" for Lunch stay tuned!

August 29th – DYC 2020 Diehard Sailboat Race (Noon to 4pm) (alt date Aug 30th)

Gate Combo's

Dockmaster

70% occupied this season. All slips are assigned. Visitors are still being turned away per the board's directive.

Social

Fall banquet was discussed, as it may be the only party/gathering we will have for the rest of the year. Any ideas about a place and caterer let George know. (George Burns III) September discussed for boating safety class...stay tuned.

Vice Commodore

A few questions were brought up. Immediate family consists of wife and children may work volunteer hours. Minors (under 18) must have a responsible adult with them. A fishing club under the direction of Dennis will be meeting. Contact Dennis with questions 673-6582 (text or call) or email seawolfe67@gmail.com

Old Business/New Business

- It was discussed that the state of our finger docks needs to be improved. This will be the next big expense for our club looking into the future.
- Friday at 6:30 is the new member orientation. Committee and board members will be present to help welcome and show new members "the ropes."
- If you are out boating for the day, when you return back to the club it would be considerate if you brought your trash directly to the dumpster on your way out instead of placing it all in the clubhouse trash. This also discourages flies and other "visitors" from going into the clubhouse too!
- The Veklotz's are putting their boat up for sale, it is a 2002

Wellcraft.

Next Meeting date: September 8 at 7:00pm at the clubhouse.
