## News from the Editor

Another season in the books. I've said it before, I love the seasons we have in WNY. I feel like we can appreciate boating season as a special time of year, since it is only about a quarter of the year. There will still be days I will gaze out at the beautiful lake and imagine myself tubing with the family and imagine the warm sun on my skin. It was a fun season, and even though it is short (or in my case even shorter with outdrive repairs), it was a fun one.

Last ride of the year. It was a warm first half of October!
