Race and Recreation –Chris Piede  
Social –George Burns III

## Appointed

*Ken Kuwik-Dock Master*  
*Larry Van Deusen-Web Master*  
*Chris Piede-Newsletter*

## News from the Editor

Happy August! I hope everyone is enjoying boating season so far. One of the highlights of the year is our annual Commodore's Party which was a fun time for all! Below is a picture of our current Commodore Carl, and I attached many more on the back page of this newsletter. Many were all decked out in their prohibition era/roaring 20's outfits and looked great!

## Commodore

Carl bought up that the club needs an owners/users manual since there are many jobs and duties that one person is doing and doing well, but they are the only ones who take care of that job. Also reminded to check that work hours are recorded and signed off for. If you do work on your own finger pier, fixing the wood that is part of our club it counts! Hours are reduced in September for housekeeping to 5 per week also keep in mind.

## Treasurer

August Financial reports. Balance is in good shape for August. Commodore's party did better than last year on the account and was a fun event.

## Race and Recreation

Coming up events: Fishing Tournament

Saturday August 20th

Skippers meeting at 6:30 in the club

Lines in water 8:00-1:30

Stories and lie time 1:30-2:30

## Rear Commodore

Infrastructure report was given. Conversation with bubbler company said he could add pumps, replace and or repair current pumps. He also said he would be happy to help us with upgrades. Feedback was given by the board about electric breaker issues, holes clogging, and supply issues for the hoses.

## Newsletter

DFT is not printing for us anymore, copy boy may be printing copies of newsletter. The new supplier will be Copy Boy for a cost of \$10 per month.

## Vice Commodore

Electric infrastructure meeting is ongoing. Bubbler system work is being done. Work hours are still needed by many was brought up. There is still much work that needs to be done. Reach out to Jeff (facilities) or anyone on the board if you are looking to get your hours.

## For the Good of the Club

Proposal to switching to a fob system was brought up. It was discussed if changing to this new system should be done or not. The discussion if this change was necessary or not lead to the repeated statement that we need to NOT GIVE OUT THE CODES!

## Membership

### Membership Activity Report DYC Board Meeting August 9<sup>th</sup>, 2022 Correspondence and Activity Summary

<b>Application for New Membership:</b>	Tom Hunt - Sponsors: Mark Stoddard and Tom Safford Michael Stone – Sponsors: Nate Bell and Dan Cassidy	
<b>Waiting List to Probationary:</b>	None for Aug	
<b>Resignations:</b>	None for Aug	
<b>Upcoming:</b>	<b>Probationary to Senior:</b> Fred and Tracy Smith-Dengler (accepted) <b>Mar 2023:</b> Jim Hoovler, Charlie Kuell, Steve Peacock, Robert Meister

<b>Orientation</b>	Completed June 24 <sup>th</sup> (Jay Bishop presiding)	
<b>Membership Planning 2022</b>	None	
<b>Membership Work Area Forms:</b>	Have WAI Reports now available ... thanks Carl B	

## Facilities

There will be a need to assess/prioritize before winter what docks will need the most attention. Electric work will be coordinated with the dock work once it is exposed.

## Education

### NYS Boating Class

This course will be held over 2 evenings. 16 August from 1800 to 2200 and 18 August 1800 to 2200.

This course is for DYC members only.

Register online [here](#)

## New Business

It was brought up that the boats the club owns are need for future storage. There are currently 5 pintails and 5 trailers in need. These can be stored outdoors and are approximately 14 foot long.

## Past Commodore

Please make sure to get work hours for the club, many are short hours or have none!

Bart's Cove bought the weedcutter from the city and will be looked into cutting around our club for a total not to exceed \$200. It was also brought up that a DYC member could operate the cutter after a lesson how to work it from Bart's if anyone was willing to do this.

Have you ever tried your luck at the ring game? Isabella Piede set an unofficial record by ringing the hook 111 times on July 23. Here is a few pics of her that day, and giving pointers to Kirk! She even had the hoop stop on a rest on the hook! I promised to put her in the newsletter for all to see! If you have any fun moments at the DYC please email them to me to include them in the Nautical News!

### Commodore's Party Fun!

Next Meeting date: Tuesday September 13, 2022 7:00pm
