*Larry Van Deusen-Web Master*  
*Chris Piede-Newsletter*

## News from the Editor

The 2022 DYC season is officially over! I hope everyone who attended the fall banquet enjoyed themselves. A special thanks to all involved, especially George, Tracy and Fred! Also, congratulations to the 2023 officers and thank you to Carl Hamann for a great year as commodore.

## 2023 DYC Board Members

## Commodore

Thanks to long-range planning committee to help with the survival of the DYC. All committees were brought up and Carl gave his appreciation to the workers this past season. Carl also reiterated that work hours are very important to the lifeblood of our club. Many times, it is the same members, and even life members who are putting in work. Please help when you can! The same is true for meetings as input from members is crucial as well. Carl thanked everyone for helping him have a great year as commodore.

## Membership

### Annual Correspondence and Activity Summary

#### Applications for New Membership: 3 New Applications:

Tom Hunt - Sponsors: Mark Stoddard and Tom Safford;

Michael Stone – Sponsors: Nate Bell and Dan Cassidy

**Orientation: Held Friday, June 24<sup>th</sup>, 2022 at DYC – Jay Bishop presiding**

#### Membership Planning 2022 :

Work Areas of Interest Reports now available ... thanks to Carl Bjurlin Creation of the Membership User Guide

## Education

There were 6 students at the boating class this season. It was very successful and the hope is to get more involved next year. Just a reminder, there is no fee for any members or family members of the DYC!! The safe boating course offered by George Burns was successful as well, and if interest is there, will continue next year.

## Treasurer

Annual report. Balance sheet for the year shows an increase in our checking account. Money market accounts have risen. Other accounts are mostly unchanged from last year. Club is in the plus \$6700 for the year, which will cover us for the off season. Billing will be sent in November again with a questionnaire for a area of work interest.

### **DYC Yearly Billing:**

The yearly billing and member Information mailing will be going out in November.

If you have changed your address please notify Tracy Smith-Dengler.

If you want the mailing to go to another address (your winter address) please send me an e-mail ([carlbert520@hotmail.com](mailto:carlbert520@hotmail.com)) requesting such. Please make sure the address is complete.

If you would prefer to receive the invoice and member information as a pdf file e-mail me at the same address. Make sure to add your e-mail address I should use.

Thank you

Carl Waclawski

## Webmaster

Mailing problems addressed by Larry. It was brought up that the newsletter is in the website for members. Many bounce backs are problematic for members, so it was suggested to use another program to send out emails to our members. Please make sure that your proper email address is listed so that it goes to the proper recipients.

## Dockmaster

Special thanks to Stan for helping with transients this season!

## Rear Commodore

Long range planning meeting report was given.

## Past Commodore

Long range planning meeting report was given.

## Vice Commodore

Work hours were brought up. Some members who were delinquent had to be charged a fee and will need to come to the board to explain why they couldn't fulfil their duty.

## New Business

The proposal for having a key fob system to enter the club was revisited again due to the break-in concerns that we had this spring. One solution to help with the security of our club was to only push out the lock combinations via email, not in the newsletter, as this may be more secure. It was also suggested the combinations be put on the back of our membership cards. Stay tuned!

## For the Good of the Club

Many members were in agreement to making the club handicapped accessible and this will be looked upon in the coming meeting in the new year.

Pictures from the fall banquet!

**Next Meeting date: January 10, 2023 7:00 Elk's Club**
