News from the Editor

Marching into the spring, although it does not feel like it lately. It isn't too early to start thinking about boating season...it will be here before you know it! Most of this month's meeting was welcoming new probationary members. *Please see the flier* from Rick Burgstrom about the celebration for his son. Rick has been a long-time member and is always willing to lend a hand and help. I have helped him personally on a few high water nights making sure boats are secure at our club. He hopes to see anyone there who would like to attend and invites all DYC members to attend!

This picture of the sunset over our harbor was too pretty not to share.

Treasurer

March Financial reports were shared. Carl states that we are doing well heading into the season. Sales tax has been paid and City tax is the next bill that will need to be paid.

For the Good of the Club

Congratulations to our secretary and new father Greg Kowal and his wife Jenna for the birth of their baby girl Julia Rose born on 3/2/23!

Jack Gaasch had a question to all DYC members about having a boat survey done. If anyone has a had a boat survey done, who did it? Any comments on their experience? Any information can be sent to Jack at his boat web page email jack@nc33.top or my address in the club register. He is happy to summarize the results in a report for a later edition of DYC Newsletter. Jack will treat any info supplied as confidential and would use no member names in any report.
