*Ken Kuwik-Dock Master*  
*Larry Van Deusen-Web Master*  
*Chris Piede-Newsletter*

## News from the Editor

I don't know about you, but the cold and wet spring we have had has made me anticipate boating season even more!. Hopefully we are over that weather and ready to get floating! Many members have been hard at work the last few weeks to get our club ready. John Connelly and I were the first to get boating as we got soaked getting a few of the work boats to the club (sorry John I didn't get you in the pic!) This past Saturday looks a little nicer as blue skies were behind our fun "navigation" sign. **Opening day is set for May 20<sup>th</sup>!** I can't wait to get the boat in the water and see all my DYC friends soon!

## Commodore

Shock stray voltage detector has been purchased. Northern Chautauqua Conservation Club "Taking a Kid Fishing" Saturday June 3rd 9am-11am will be held on our docks.

## Facilities

Water and Electric is turned on throughout the club. East dock repairs are ongoing and scheduled to be completed this weekend. There are some repairs that will be needed to be done with the work barge. Attachment for life rings will be purchased for the docks. This Saturday anyone with a power washer please help with the docks. Please bring tools to the work parties for work that is planned to be done. 32" door needed for the tool shed, if anyone has one that they want to get rid of the club will take it. Dumpster is delivered and be emptied ever Friday. Order of 16' uprights will be made for docks of new members and docks which have lost uprights over the last few years. **Opening scheduled for May 20.**

## Social

Dates have been scheduled for all out typical annual events. (George Burns III) Event will be planned for Memorial Day on Monday.

**Education** (Alan Freville): Mike prefers to teach the sailing classes on his own boat verses the Pintails, updates on this will be provided next month. Program is being created for those in the area who would not otherwise be able to participate into sailing classes. Dunkirk fire department would like to bring their fire boat to the club one day this summer and do a course on how to fight boat fires for any members interested.

## Clubhouse

Clubhouse transition is coming along very nicely.

## Webmaster

Addressing the problems with members who are not receiving the newsletters and emails.

## Rear Commodore

Long range planning committee meeting will be scheduled for sometime in early June.

## Vice Commodore

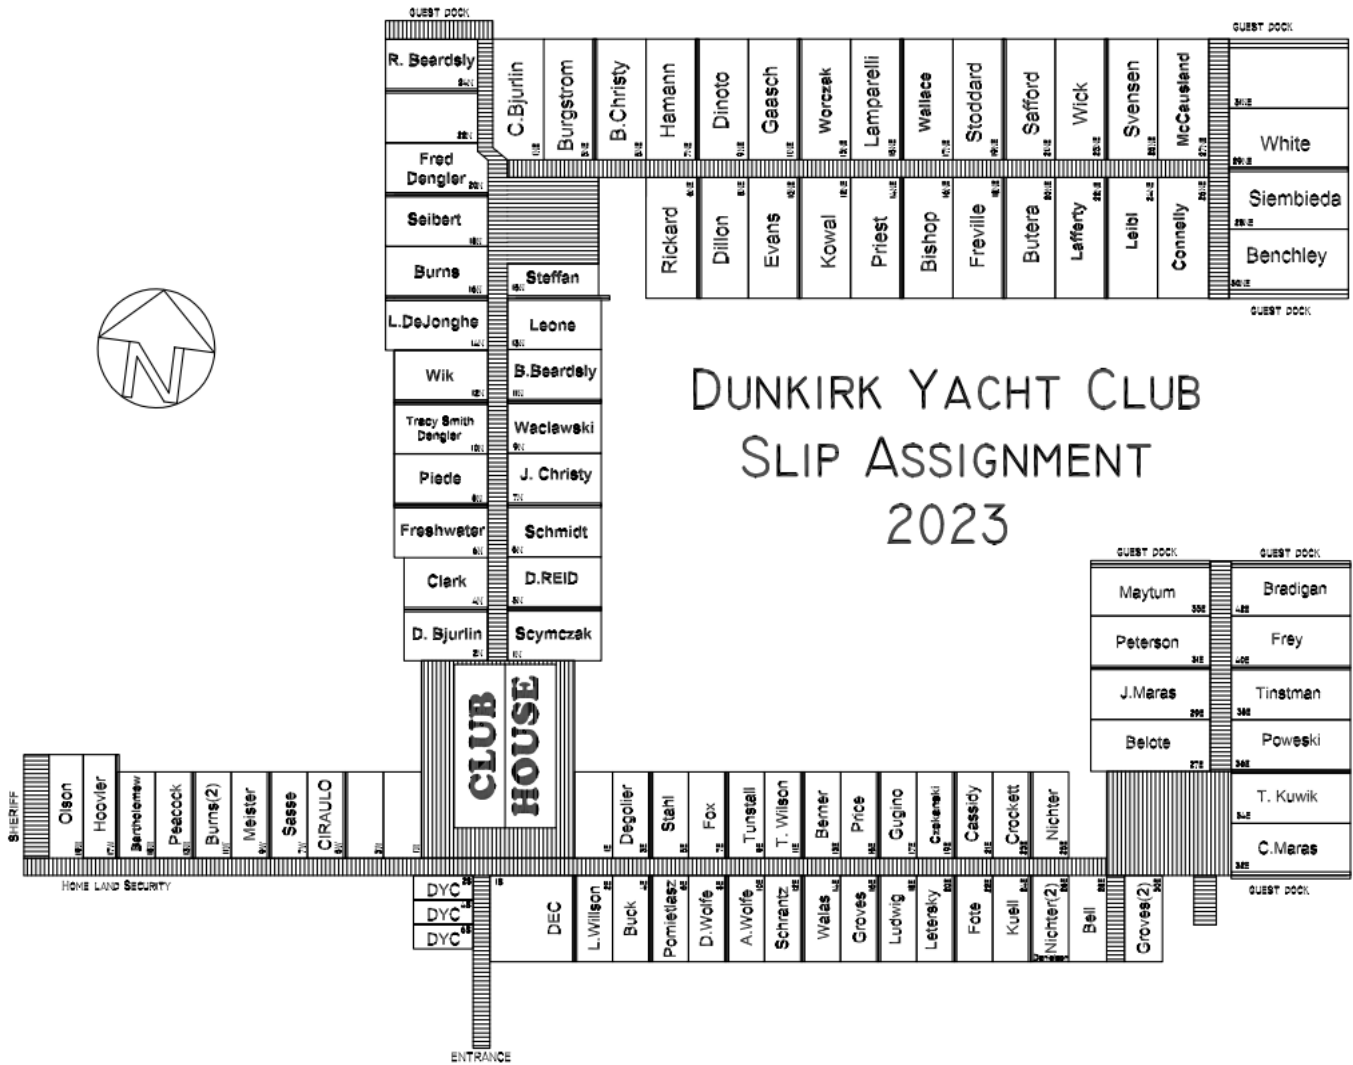

AEDs and hanging storage cases have been received. Training for new members and any other members who may be interested will be held.

## For the Good of the Club/Members Comments

Dennis Wolf will begin working on the motors for the work boats.
