Commodore

Nameplates in front slips of will be updated asap. A resource list suggested for people that work on boats for the club. List will be in clubhouse.

Rear Commodore

Trying to anticipate the next ramp installation. Design and time table being looked at to plan for long-term upgrades.

House

House and supplies look good, please sign up for housekeeping duties on the schedule hanging in the clubhouse.

News from the Editor

Well we are definitely into boating season now! The slips are almost full at the club, and if yours isn't floating then what are you waiting for? June is one of the best months for powerboaters like me. Flat, glassy lake, beautiful sunsets and maybe an accompanying beverage of your choice. It doesn't get any better than that does it? Hope to see everyone soon, there are lots of events coming up at the DYC! Reminder to get your boating license as it is mandatory asap. "In 2024, all operators of motorized vessels born on or after January 1, 1978 need to carry a safe boating certificate while operating. Starting January 1, 2025, a safety certificate will be required of all operators, regardless of age."
-Boating Education from NY State Parks website

Membership

Facilities

Getting ready to start putting wood down on West dock. **Please stay out of electrical boxes!** Please call Fred if you need something done so we know what is being worked on and can check on it. Painting will need to be done soon as well. Contact Fred for possible work hours.

Last call to please put any lumber for uprights you have into your finger pier so we can take advantage of our docks.

Vice- Commodore

Member Hours Report:

As we move into June, at least 47 senior and 9 probationary members have reported hours so far. 24 senior members already have more than 10 hours and 9 have more than 20 hours! Of our 15 probationary members, 9 have reported hours with 2 already at more than 10 and 1 reporting more than 20 hours! Way to show your commitment to the club! As always, our life members generously continue to contribute numerous hours as well.

We still have 22 seniors and 6 probationary members without logged hours. If you have put in hours but have not yet logged them in, please take the time to fill in the Hours Logbook ... the longer you wait the harder it will be to remember. If you haven't worked any hours yet, please don't wait. Sign up to help at a social party or boating event, or a facility work party or to clean the clubhouse. If you have any questions about how to get involved, ask any board member for help.

For the Good of the Club/New Business:

Thank you so much to Tracy, Jenn, Brett and John L for the merchandise sale. We have some great new DYC swag. Check it out! Prices attached in the newsletter!
