News from the Editor

Happy New Year! I hope all DYC members were able to have a nice, relaxing holiday season. Although boating season is months away I would like to remind everyone it is a good time to take your boating course online. My daughter Mia is currently doing this and it takes about 6 hours to complete and you can do as little or as much as you would like as it saves your progress. All boaters will need this eventually! Here is the link to the course, and yes it is free!!

<https://www.boatus.org/newyork/>

If you were born on or after:	You will need a boating safety certificate when operating a motorized vessel in:
January 1, 1993	2020
January 1, 1988	2022
January 1, 1983	2023
January 1, 1978	2024

All operators of motorized vessels, regardless of age, will need a boating safety certificate by January 1, 2025

Treasurer

Facilities

Jeff needs to assess damage. Brett reported that docks are damaged in places from Dec 10 seiche. Sediments in the club as water level rose. Bubblers were knocked off but most are back on (11) except two. Needs a reassess. Reported worst we have seen. May need to look at other options besides bubbler in the future.

Education

Sailing program hoping to get back for this season. Possible class which teaches boating as well as gets them their licenses is being looked into.

House

Due to water getting into clubhouse we will need extra help cleaning to start the season. Please think about helping or signing up for a week of cleaning this coming summer.

Rear Commodore

Long range planning needs to be addressed ASAP. These should all be designated formally with the Rear Commodore and Commodore heading these plans. Details to follow in next coming meetings.

New Business

Covid protocols for the coming season will be addressed soon. Those that were deficient in work hours were discussed. Please make sure to get your hours and then some done each season. The DYC exists because of it's members!

For the Good of the Club

Condolences to the following.

Patrick and Sylvia Bailey both passed away recently. Pat was a past Commodore. They were very involved at the club with planning and managing events/parties and were both supportive of DYC as active members.

Ricky Burgstrom III, son of Richard Burgstrom regrettably passed away.

Prayers and good thoughts sent to both families and friends on their loss.

Next Meeting date: February 8, 7:00 via Zoom.
