Membership business at the Board meeting on Tuesday, March 10th began with Chairman Bill Wright introducing three prospective members and their primary sponsors who spoke on their behalf. Gary Deckard, sponsored by Marv Bjurlin & Cody Britton; John Konegni, sponsored by Marv Bjurlin & Bill Paige, and Denise Miles, sponsored by Lou Deering & Nancy Steffan. The Deckards; Gary, Stephanie Brash & daughter Emma live in Fredonia and are in the market for a boat. John (aka Jamie) Konegni, married to Dawn Eckenrode lives in Fredonia with daughter Silvana and own a Pintail sailboat. Denise Miles also lives in Fredonia with daughter Sophia and son Brandon and has recently purchased a Starcraft 22' power boat. It was nice to hear that each applicant's family had at least one member who took our summer sailing course. All three were granted probationary membership. A request by Cody Britton for inactive membership status was approved. A letter from Dave Prince submitting his resignation from DYC was accepted. Randall Chamberlain was removed from the waiting list since he is no longer interested in membership. Carl Bjurlin reported that Joanie Will would be taking Ed's membership opening. Chairman Wright stated that there are three membership openings and the next three on the waiting list will be invited to the next Board meeting. Please note that the the most recent waiting list is included in this edition. Members who have signed applications as sponsors can check their applicant's standing and let membership know if they are still interested in DYC and report any changes (i.e. address, boat ownership, etc.). The Roster/Slip Change Form is also included for members to update their own info for the roster and our records. Please send your changes to Bill Wright or Dockmaster Carl Bjurlin.

Facilities Chair Larry DeJonghe reminds everyone that Saturday, May 9th is scheduled for the club opening. He's asking members who plan to be there to contact him as soon as possible by phone: 679-6017 or email LARRYdeJ@yahoo.com and let him know what you can help with. This will help him to organize the work party in advance. Cleaning the docks is a big part of readying the club and Larry is looking for members who can bring their power washers to the opening.

House Chair Carl Lis reported that from speaking with the dealer, carpet tiles would not work well in our environment. This saved some \$300 on the estimate. The Board authorized the expenditure of under \$1120 to Dietzen's for new carpet including tear-up and replacement. This will be done shortly after the club opening.

With the season not too far off, and the weather giving us a break, we're thinking about fishing - namely the annual "Take-a-Kid Fishing" event in cooperation with the Northern Chautauqua Conservation

Club. Once again the Board has approved our facilities be made available for a morning of fishing for young anglers, under supervision and with proper safety gear. As in the past, Jeff Tinstman will be there for us on Saturday, June 6th from about 7:30/8:00 am to 10:00/10:30 am. The kids always enjoy fishing from the docks and it's a nice gesture of community goodwill.

An additional item brought up under new business was that Ed Will gifted his MirroCraft fishing boat to the DYC in his will. The Board will send a letter to his wife Joanie expressing the club's sincere appreciation.

In the News:

Marv **Bjurlin** was honored recently by the Fredonia Chamber of Commerce at their annual awards banquet. Marv and Ron Nasca representing the Chautauqua Area Potters were presented the service to humanity award for the Empty Bowls program. Many DYCs have assisted at the annual function each of the eight years it's taken place.
