News from the Editor

We are getting close! I have to get my boat from storage at the Chautauqua County Fairgrounds this week. The next step is to clean, do some bottom painting, and get ready! I don't mind the cleaning so much as I am anticipating the upcoming boating season. That being said, there was not as much motivation to clean at the end of the season, so I will have my work cut out for me! I look forward to seeing the first work parties (there is one this Saturday), and getting the clubhouse opened soon!

I am looking forward to sunsets like these over our beautiful Lake Erie!

Treasurer

City taxes the most recent payment. School taxes in September is the next big bill. Checking account is in good shape for the upcoming season. It was suggested to perhaps take advantage of the high interest rate on CD's. This will be looked into and a report will be given next month.

Facilities

Call to arms to have a **work meeting this Saturday April 15th at 9:00!** This will be for fixing docks. Be ready for some carpentry work and let's get the docks safe before we can start planning on when to open. Hope to see you there! Any questions please contact Fred at mildcatIII@gmail.com or call/text 716-673-6897

Vice Commodore

A report was given about recommendations for an AED device that would be very easy to use, economical, and reliable. Jay is also glad to help train new and past members via various means. This training could be in conjunction with a CPR class as well. Security was discussed about the device and placement will be decided hopefully by club opening.

Commodore

A device to measure stray currents (shock device) will be purchased to check the safety around boats that may be tripping breakers.

For the Good of the Club

It was brought up that the waiting list and turnover has been high lately, and it is a good time to promote our club to family and friends!

Next Meeting date: Tuesday May 9, 2023 7:00pm Dunkirk Elks Club and via zoom
