News from the Editor

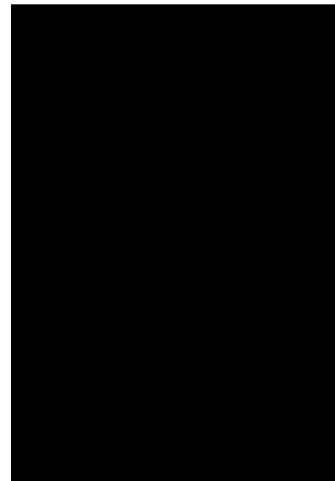

Happy May to my fellow DYC'ers! This is the month of preparation and work to get ready for boating season. The recent warm temps and sunny skies have everyone thinking about summer. The lake has had some really calm days lately and it looks so inviting for a cruise. Time to get that boat ready and we will be floating in our slips soon!

Pretty soon people will be back relaxing on the docks!

Treasurer

Report of report about \$52k balance in our account.

DYC Short Term and Long-Range Infrastructure Planning Committee (4/24/2022)

We reviewed the results of our survey: Only 17 respondents, written copies provided at the request of several members. Highest Priority: Docks/Electric/Bubbler, Lowest was Sewer and Water/Clubhouse/Wireless and Internet. Comments were provided by 3 respondents We discussed the importance of specific subcommittees for these separate infrastructure areas of opportunity, and Carl B and Tom S are working on making participation interests a part of the membership data base that can be easily accessed for work parties and expertise. Examples would be Electric, Docks and Pilings, Bubbler system, Water and Sewer We reviewed present infrastructure and discussed specifics for each area.
Next meeting TBD.
